### CONSTANCE MOOFUSHI

A diving paradise set on its own secluded island, Constance Moofushi is the perfect base to try everything from snorkelling, sunset cruises on a traditional Dhoni or big game fishing Maldivian style.

Discover the underwater paradise of the South Ari Atoll known as one of the best diving spots in the world. Explore the spectacular house reef just metres from the beach, home of the exotic marine life; from stingrays and lionfish to snappers and eels.

The water around Constance Moofushi is also on the migration route of mantas, whale sharks, dolphins and sea eagles.

With clear water visibility usually between 20 and 25 metres and a slow to moderate current, divers find it

perfect for dives. Expert divers can choose from more than 20 diving points but there is also plenty to explore for new divers or those wishing to refresh their skills.

They also offer PADI certificate courses, snorkelling equipment and boat excursions for those wanting to explore the sea!

If diving is too much effort, then why not choose from the wonderful range of Constance Spa Classic massages, facials and body treatments using aromatic natural products inspired by plants from the Indian Ocean. Each spa treatment brings your mind and body to a state of perfect relaxation and complete equilibrium. Constance Spa at Constance Moofushi is a true sanctuary.
