EXCLUSIVELY YOURS

"There is no better way to see the Mediterranean or the Caribbean than on the water."

Chartering a yacht is not a new experience, but all private yacht charters are limited to only 12 guests overnight. Chartering an entire cruise ship would be inordinately expensive and a little ostentatious. However, what if you could charter a luxury cruising yacht, with only 56 cabins? Well, now you can when you charter a SeaDream Yacht. Whether you charter for a few days or endless weeks, you'll have full customisation over your yachting experience to ensure all expectations are exceeded.

The expression "yachting" is not only a statement about size, it describes a lifestyle. Chic and stylish, SeaDream's 56-stateroom twin yachts are favoured for their elegant informality, personal award-winning service provided by a crew of 95, inclusive open bar and gratuities, ocean view accommodations, luxury Thai-Certified spa and world-class cuisine.

With a maximum of 112 guests, a SeaDream voyage feels like a personal getaway with family, friends or for colleagues seeking the ultimate incentive trip. Be pampered and indulgent, or active and adventurous while travelling to some of the most intimate ports and destinations on a Mediterranean or Caribbean voyage.

Tailor-made, personalised, intimate itineraries to every corner of the Mediterranean or the Caribbean

SeaDream offers voyages to the azure, crystalline Caribbean waters and the most colourful and contrasting ports of the Mediterranean. Charter itineraries can be customised from three days to multiple weeks to visit classic yachting destinations and fascinating harbours, brimming with individuality and character.

THE MEDITERRANEAN

Personalised and intimate, Mediterranean itineraries sail to some of the most famous ports in the French and Italian Riviera, Greek Isles, the sun-soaked Spanish Mediterranean coast, charming Croatia and endless other, less crowded, yet stunningly beautiful, ports in the region.

THE CARIBBEAN

SeaDream's smaller size means guests can access the intimate, less-travelled ports in the Caribbean. Jost Van Dyke in the British Virgin Islands serves as home of the Signature Champagne & Caviar Splash™ beach party, while other popular ports include St. Barts, St. Thomas, Saba and the Grenadines.

Dedicated, personalised service crew

With a maximum of 112 guests served by an award-winning crew of 95, SeaDream's guest to crew ratio ensures individual needs are given the greatest attention. It's the details - addressing you by name, knowing your preferences and anticipating your needs - that makes SeaDream's service second to none. Your crew is passionate about delivering highly personalised and anticipatory service. Once you experience SeaDream's inimitable service, you will be, "Splendidly Spoiled" and you may never want to go on a cruise ship again.

Dream cuisine

For full charters, an exclusive SeaDream executive chef and yacht charter coordinator will create specially tailored menus, culinary offerings and epicurean experiences to any specifications. All cuisine is prepared a la minute and served al fresco at the Topside Restaurant or in the elegant Dining Salon. SeaDream can accommodate all 112 guests dining together in either setting.

International menus incorporate local, regional flavours with the freshest, high-quality ingredients, focused around sustainability and local sourcing from the surrounding region where possible.

Corporate & incentive charters

SeaDream Yacht Club private charters have been utilised by extraordinary individuals and companies, for product launches, special events, client rewards and employee incentive travel. Past business clients have included TAG Heuer, Nokia, General Electric, BMW, Coca Cola and Jaguar. When you book a private voyage with SeaDream, you get complete control over every aspect of the trip without worrying about the individual details.

Your exclusive Charter Coordinator will liaise with the crew to ensure the decor, entertainment, destinations and dining are taken care of, as well as arranging any customised experiences you would like. If you want fireworks, a swim in the open ocean or an adventurous land excursion, we can arrange it.
